DO THIS IN MEMORY

Why go to Mass?

When we were baptised you became a
member of God's family and we call
that the Church.

You might think the church is just a
building, but the Church is also the
name we give to the people who gather
in the building.

Without the people, the Church would
be just another building.

One of the most important things we
do as part of God's family is to go to
Mass.
