DO THIS IN MEMORY

Learning about the Mass with Kate & Quamen

The Psalms:

The psalms are different from the other readings from the Bible.

They were written as poems or songs
There are 150 psalms altogether.
Sometimes the psalm is sung.

Between each verse there is a response which we are all invited to say.

The psalm allows us to reflect on the reading that we have just heard.

Second Reading:

This reading always comes from the part of the bible called the New Testament. The reading is taken from the books that are found directly after the Gospel of Matthew, Mark, Luke and John

Our response to the Readings:

At the end of each of the readings the Minister of the Word finishes by saying, 'The Word of the Lord' and we all respond with the word, 'Thanks be to God'.

This is our way of saying thank you to God for these stories which help us to grow together as members of God's family.
