50th International Eucharistic Congress

The 1st Eucharistic Congress was held in Lille, France, in 1881. The idea to begin a Congress came from a France lady, Emile Tamisier.

Ireland will host the Congress in June this year.

"In these first months of 2012, the organisers ask us to reflect on how Christ gathers us to be nourished by the Bread of Life.

as a start, we might consider going beyond the call of duty by attending Mass on the occasional weekday."
