DO THIS IN MEMORY

(Final insert from Kath and Qumen)

How can we announce the Gospel?

There are so many everyday things that we do, sometimes without even thinking about them, that help us to live the Gospel by loving and serving the Lord: making a call, going to visit or even sending a text or email to grandparents, aunts or uncles who would love to hear us. Doing what we are told without making a fuss. Making our beds and tidying our rooms without being asked. Spending time talking instead or watching television or playing computer games. Taking time to say a prayer at the beginning and end of the day, or when we sit down to eat together. Sorting out toys and clothes that you no longer need to give to St Vincent de Paul or some other charity.

Keeping Sunday Special

We know this won't always be easy. There's always some reason for not going to Mass: a football game, training, shopping, rehearsal, a trip to the sea side. But we should try to keep part of Sunday for God and his family by going to Mass and sharing in the Bread of Life. Children will need Mammy and Daddy's help with this.
