Message from FR MORTY O'SHEA:

"I am MOST grateful for the vast expression of prayerful concern relating to my myeloma cancer condition.

Please excuse my incapacity to send individual acknowledgements.

I have offered Mass for your intentions.

Given recent breakthroughs in therapies, my long-term prognosis is good but please keep me in your prayers regardless!

If you look at the blog you will know that I am now at home with my family and undergoing concurrent chemo and radio therapy."
