15th Sunday in Ordinary Time

14th July 2013

This Sunday's Gospel tells us that neighbourliness is not an attitude of helping those who are good to us, but a matter of coming to the assistance of those in need. If we are alert and sensitive we will come in contact with people who are suffering from guilt, disappointment and sin.

Prayer for Life 2013

Holy Mary, Mother of Love,
holding in your arms, the fruit of your womb,
graciously look upon our earth and remove from it
all that hardens our hearts and dims our eyes
to the preciousness of human life,
from the moment of conception to natural death.

Through the example of your tenderness
teach us the ways of compassion and love
that we may build up the civilisation of love among us
and a society that is truly worthy of the human person.

Help us to reject all that contributes to a culture of death,
and to work with others of goodwill
in promoting the culture of life.

Bring us ever closer to your Son,
so that we may know the fullness of life that he offers us
and come to know that life more perfectly,
with you, and all the angels and saints,
in the eternal life of Heaven. **Amen.**
