LIFE

**From the moment of conception,
every human life is beautiful,
every human life is precious and every
human life is sacred.**

**When we say that human life is
sacred we are recognizing something that
is sensed not only by religious people but
by everyone who appreciates the wonder
of human life.**

**As human beings
we depend on one another and so others
have the right to expect something from
us -**

**It is the right to be recognized and re-
spected and never to be treated as less
than he or she is.**

**That is true at every moment of life - from
its first beginning to its natural end.**

FEAST OF

THE MOST HOLY TRINITY

St. Paul asked Christians
"Are you not aware that you are the
temple of God, and that the
Spirit of God dwells in you?"

United in Jesus as His Followers,
We are led by the Holy Spirit
on our journey to the Kingdom of
our heavenly Father.

He helps us to fulfil our duties.

He helps us to strive for
what is good.

He encourages us to pray.

His grace unties us to the
Most Holy Trinity by love.
