## 15th Sunday of the Year 13th July 2014

This Sunday's Gospel contains a parable. Jesus compares the word of God, which is intended to produce fruit in our lives, to seed sowed in the earth by the farmer.

The seed is sown in baptism. To be a cultivator of goodness we need to dig deep within ourselves.

His word does not blossom beside greed and snobbishness. The Spirit of the living God puts down deep roots in our lives, assuring us of salvation.
