The Cry of the Earth - The Cry of the Poor;

Is the first Pastoral Letter by Archbishop Dermot Farrell. In it, he approaches the threat to our common home, indeed our only home, from the perspective of faith, while not excluding the insights of the natural sciences. In the covering letter, Archbishop Farrell says: "What we need to realise is that, over the coming decades, the issues currently arising from climate change will impact far more on us than those from the coronavirus pandemic. "If not for your own sake, then for the sake of your children, and for the world's children." Copies of the Pastoral Letter are available in the parish office. If you wish to give a contribution please put your donation into the nearest shrine.
